*5.30pm – CARA Reception* - Attendees of the Equality Conference are warmly invited to join the Vice Chancellor at a reception for the Council for At-Risk Academics (CARA) taking place at 5.30pm. CARA was founded in 1933 by Britain's foremost academics and scientists, in response to Hitler's decision to expel hundreds of leading scholars from German universities on racial grounds. The founders defined their goal as 'the relief of suffering and the defence of learning and science'. The reception will raise awareness of the current work of CARA in the UK and overseas.
