# Images of Research 2017-2018

Capture your research creatively!

Are you a Research Degree Student?
Or Research Staff or Supervisor?

Then why not enter the Graduate School's fifth Images of Research (IoR) competition?

- Capture an aspect of your research in a single original image.

- Your image can be your own photo (high resolution, at least 2 megabytes, and in either a jpg or tif format) or an original painting or drawing.

- Support your image with a snappy title and 150 word (max) summary explaining how your image represents your work.

- Email to Simone.Apel@northampton.ac.uk by November 10th 2017.

- All entries will be exhibited from February 2018 & visitors will vote for their three favourites.

[Pto for rules of entry]

Winning Images from IoR 2016-17

Images of Research 2017-18: Rules *Capture your research creatively!*

Your research	Your image needs, in some way, to connect, comment on or represent your research. You can be as creative as you like to capture the viewer's imagination.
Unique	Your image should be a photo or a drawing/painting which you have created yourself, not downloaded from Wikimedia or other image bank!
Format	Your image can be in full colour, sepia or black and white, landscape or portrait.
Resolution	Your image **must** be of a high resolution (at least 2-3 megabytes) and in either a *jpg* or *tif* format so that it prints successfully at A4 (no *gif* files please) . **Note: you do not need to print it.**
Title and Description	Along with your image please write a snappy title and a concise description of your image and how it relates to your research. Less than 150 words please and in plain English (no jargon!).
Deadline	Please email your image and your description to simone.apel@northampton.ac.uk by **November 10th 2017**. Make sure you email the FULL SIZE image for best quality.
Copyright	By entering the competition you are giving the Graduate School permission to use your entry for exhibition and publications, in the context of Images of Research.
